

## **I.C activity**

### **1st Listening**

- Where does the dialogue take place?
- Which are the languages?
- What do you know about the 2 languages?
- What is the peculiarity of the dialogue?
- What is the person no.1 looking for?
- Can you spot some words which are similar to Italian words or other words you know in another roman language?
- Can you tell some problems related to communication?

### **2nd Listening**

- Which strategies are applied to solve these problems?

### **3rd Listening (intercultural dimension)**

- Which habits are shared by the speakers?
- Can you spot 2 cultural differences between the speakers?
